ARTWalk Public Meeting

Monday, January 29, 2007
7:00 – 8:30 p.m.

Rochester Museum & Science Center, Cunningham House
Sponsored by ARTWalk, The City of Rochester and
Rochester Regional Community Design Center

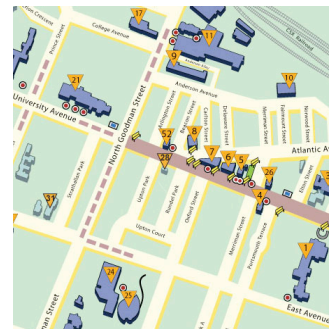

ALL ARTWALK STAKEHOLDERS* are invited to a public meeting that will focus on the design of the Goodman-University Intersection where the current ARTWalk and the ARTWalk extensions will intersect.

The Goodman-University Intersection is the nexus of the Neighborhood of the Arts. The expanded ARTWalk project has the potential to further strengthen an important civic and cultural district: a destination of many arts and cultural organizations for Rochester's residents and visitors.

Input from Stakeholders -- your input -- will help to determine how the Goodman-University Intersection reflects all that the neighborhood is and will be.

ARTWalk: Goodman-University Intersection Meeting Agenda

- Welcome and Introductions
 - Kate Bennett, President & CEO, RMSC
 - Marianne Kroon, ARTWalk II Committee
- ARTWalk II Design Update
 - Doug Rice, Executive Director, ARTWalk
 - Memorial Art Gallery Perspective, Marjorie Searl, Chief Curator
- ARTWalk II Construction Timeline
 - Paul Way, Manager of Street Design, City of Rochester
- Open discussion about Goodman University intersection design
 - Facilitated by Joni Monroe, Executive Director, RRCDC

* **Stakeholders** include: neighbors; representatives of arts, educational and religious organizations; home owners, renters, and business owners and staff.

ARTWalk Board Members and representatives of the City of Rochester will attend this meeting. Notes will be recorded so that we have a record of stakeholder ideas and issues.

The City of Rochester received Federal funding through the office of the Honorable Louise M. Slaughter to upgrade University Avenue and to extend ARTWalk. ARTWalk currently runs along University Avenue from the east side of the Goodman/University Intersection to the George Eastman House. Funding will extend ARTWalk on three spurs:

- Spur 1. University Avenue from the Goodman-University Intersection **west** to Prince Street, ending at Visual Studies Workshop and School of the Arts
- Spur 2. Goodman Street from the Goodman-University intersection **south** to East Avenue, ending at the Rochester Museum and Science Center
- Spur 3. Goodman Street from the Goodman-University intersection **north** to Village Gate and the Arts & Cultural Council for Greater Rochester
