

University Ave. Improvements & ARTWalk² Enhancements Project

BRING YOUR IDEAS!

What should these artistic sidewalks look like?

What is most important to you?

Can the ARTWalk reflect the neighborhood and the cultural anchors they connect? Should they?

Can the ARTWalk be cohesive and inviting through treatment of the ground plane? How?

Come participate this exciting public event for the University Avenue Improvements and ARTWalk 2 Enhancements project.

Under Foot | In View

ARTWalk's sidewalks are the connecting link in this urban art trail, come share your thoughts on the three new "legs" of ARTWalk 2 project.
